

## ICON 7B09

### 12230001 – Black Industrial Full Grain

#### PRODUCT DESCRIPTION:

7B09 is a 4-eye chukka style, steel-toe boot, offering reliable everyday protection with iconic industrial looks. We use industrial strength leather uppers, a moisture wicking lining and Agion® treated anti-bacterial Smartmask® Insole to provide durability and internal comfort. The upper is heat sealed and welted onto the classic PVC commando design outsole for exceptional build quality.

#### STANDARD:

EN ISO 20345:2011 SB SRA E
