

DIAGNOSTIC HI ST S3 HRO SRC

Oak: P711912
Gender: Men's

Black: P711911

An industrial work boot intended for heavy and light industrial workplaces where the underfoot conditions and physical risks are significant, but all day comfort is necessary. Designed with the ERGO philosophy. It offers a contoured last and foot bed, offering the wearer increased comfort from heel to toe.

EN ISO 20345:2011 S3 HRO SRC
