

STORM BLOCKER™

Don't let the elements slow you down. Garments designed for demanding conditions utilizing waterproof, windproof and breathable fabrics.

STORM BLOCKER PLUS™

Made to withstand the harshest working conditions with ease and comfort. Waterproof, windproof, breathable and seam taped.

3XDRY®

Known as the "feel good technology", 3XDRY® garments repel and release moisture keeping you cool and comfortable all day long.

WATERPROOF

Garments made of waterproof fabrics and seam sealed to insure protection from the elements.

WATER RESISTANT

Sheds water in wet conditions keeping you dry longer.

WINDPROOF

Stops wind from penetrating to the body keeping you warm and protected.

INSULATED

Added protection from the cold. Insulated garments help regulate core body temperature when the thermometer drops.

BREATHABLE

Allows air to move freely from the body through the fabric keeping you comfortable longer.

MOISTURE CONTROL

Fabric that wicks away moisture from the skin to the fabric surface creating faster drying time.

STAIN RESISTANT

Added finish that resists stains giving you a garment that looks better and lasts longer.

HI-VISIBILITY

Products made of highly visible fabrics to keep you safe in dangerous working conditions.

REFLECTIVE

Materials which are highly reflective in low-light conditions.

PACKABLE

Garments designed to pack into their own pouch for easy storage and mobility.
