THE SAFETY **FOOTWEAR** SPECIALISTS

SPECIFICATION SHEET: OVERSEE

OVERSEE

Colour	Dark Beige
Size Range	6-12
Standard	ISO20345
Category	S1
Slip Rating	SRX

OVERSEE is a smart steel toe cap shoe suitable for light industrial occupations. Constructed with a hardwearing buff grain leather upper, styled with five non-metallic eyelet lace-holes. Removable EVA sock liner and nylon mesh lining cushions feet daily. Ergonomically designed to offer superb comfort, flexible sole and outstanding slip resistance.

Features

Benefits

ISO20345 tested	Conforms to ISO20345 Safety Footwear Standard.
S1	Toe protection tested to 200 joules impact. Safety Footwear Leather Upper plus Antistatic and Energy Absorbing Heel.
Rubber Outsole, EVA Midsole	Ethylene vinyl acetate is a polymer used to absorb physical shock. EVA is combined with rubber in the midsole for its light, flexible and resilient cushioning. Rubber outsole makes the sole very hardwearing. Includes removable EVA footbed.
SRX Slip Resistance Rating	SRX has been developed to meet the needs of the service worker with best-in-class slip resistance. Through enhanced compounding in the outsole, SRX outperforms the competition and exceeds industry standards for slip test.
