

## PRODUCT DESCRIPTION:

Attend is part of the new Dr. Martens Service Response line, designed to provide all-round protection, comfort and traction. This quick-response, mid-cut boot with bellows-tongue offers general protection for the Services sector. Leather uppers and triple-black finish provide a clean, uniform appeal while the EVA midsole offers exceptional, lightweight cushioning and flexibility. The engineered SoftWair™ sock-liner provides memory-foam cushioning at heel and forefoot while the raised grid pattern promotes underfoot airflow to keep your feet dry and happy. Moisture wicking linings and a padded collar further enhance the internal comfort. The sole tread is designed to achieve high grip on varied surface conditions and incorporates a 90° heel-block for ladder-grip. It is heat resistant to 300°C.
