

23114020 - Grey Wind River

PRODUCT DESCRIPTION:

Maple is a classic steel-toe work boot, designed especially for women in the workplace. It's constructed with a work-grade, soft leather upper and padded tongue to provide great comfort. The engineered SoftWair™ sockliner delivers extra cushioning at the heel and forefoot, while the raised grid pattern promotes underfoot airflow to keep feet dry and happy. A moisture-wicking lining further enhances the worker experience. The upper is heat-sealed and welted onto the classic PVC outsole providing durable reliability, without compromise. This iconic work boot now features a great new Grey Wind River finish.

STANDARD:

EN ISO 20345:2011 SB SRA E
