This is a non-leather product that is suitable for the wear by vegetarians and vegans.

This style is free from any animal content including glues/adhesives which are made with Resin.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
