- ◆ Contoured steel toe for fine finish of the toe
- ◆ Lightweight and flexible non-metal midsole to protect from nail penetration
- ◆ Slip on elastic gussets on the side
- ◆ Durable and stylish low block heel
- ◆ Cushioned leather lined insole for comfort
- ◆ Durable PU outsole
- ◆ Oil resistant outsole
- ◆ Antistatic

**Care Advice:** To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
