

EXCAVATOR LT

CT S3 WP HRO SRA

KEY SELLING FEATURES

- Strength of a work boot combined with the comfort of a sneaker
- iTechnology combines the durability of a Goodyear Welt with an athletic cup heel for sneaker-like comfort
- Waterproof, full grain leather upper keeps feet dry and protected, and provides long-term durability
- New contoured last allows for superior cushioning and a roomier toe box for all day comfort
- Composite toe: same great protection but non-metallic and lighter than traditional steel
- Energy absorption, puncture resistant and with a heat resistant outsole
- Non-metallic: ideal for those working in aviation
- EaseHD (heavy duty) comfort footbed gives extra cushion, support and rebound
- ERGO technology provides biomechanically features that are engineered to integrate stability, flexibility and comfort
- TecTuff material at the toe and heel for added abrasion resistance (a proprietary chemistry that builds strength from the inside out)
- DUOFUSE, our custom engineered midsole which blends rubber and foam for more comfort, less weight, and trusted durability
