FEATURES

- ◆ Water resistant leather upper
- ◆ Padded breathable mesh collar and tongue
- ◆ Sturdy metal D-ring hooks for lacing
- ◆ Comfortable and removable EVA footbed
- ◆ Dynamic and raised injected PU midsole clasps the upper to provide increased protection.
- ◆ Cleated outsole provides ultimate performance and grip in varied conditions.
- ◆ Ladder grip lines for working at heights.
- ◆ Non-marking outsole.
- ◆ Fuel & oil resistant outsole.
- ◆ Antistatic.
- ◆ Energy absorbent heel.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
