AS961C QUARRY

Standard	EN ISO 20345:2022
Category	S7S CI SC LG FO HRO SR
Size Range	UK 6 - 13 EU 40 - 48
Colour	Brown

Rugged Collection—AS961C QUARRY: Our RUGGED range of safety boots are heavy duty, waterproof and super-tough on the outside as well as being surprisingly lightweight, well-fitted and warm on the inside! Features a water-resistant premium full grain leather upper with Thinsulate™ lining for extra warmth. Our performance DRI-BLOC™ membrane gives waterproofing protection and is breathable. An aggressive, pronounced toe bumper is engineered to perform and surpasses the new SC safety category, with deeper grooves allowing water to disperse and escape in wet conditions. The intricate stitching is designed to be below the toe bumper, protecting it from being damaged or abraded in wear. Super lightweight phylon/rubber sole complete with ladder grip and a technical grip design to be water-dispersing, durable, slip resistant, oil & heat resistant, and abrasion resistant giving ultimate traction!

Upper	Premium Nubuck Full Grain Cow Leather	Construction	Cemented
Inner Lining	Breathable waterproof membrane and mesh	Outsole	Phylon/Rubber
Footbed	Removable Moulded PU	Weight	750 grams (half pair UK size 8)
Impact Resistance	200 Joules Fibre Glass Composite Toe Cap	Penetration Resistance	Anti-Penetration Non-Metallic Midsole - Min. 1100N

FEATURES

- ◆ Deep cleated rubber outsole
- ◆ Performance ladder grip on outsole tested to New Ladder Grip Standard (LG)
- ◆ Outsole heat resistant to 300 degrees
- ◆ Oil resistant outsole
- ◆ Antistatic
- ◆ Energy absorbing heel

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
