**Rugged Collection—AS962C FLARE:** Our RUGGED range of safety boots are heavy duty, waterproof and super-tough on the outside as well as being surprisingly lightweight, well-fitted and warm on the inside! Features a water-resistant premium full grain leather upper with **Thinsulate™** lining for extra warmth. Our performance **DRI-BLOC™** membrane gives waterproofing protection and is breathable. An aggressive, pronounced toe bumper is engineered to perform and surpasses the new SC safety category, with deeper grooves allowing water to disperse and escape in wet conditions. The intricate stitching is designed to be below the toe bumper, protecting it from being damaged or abraded in wear. Super lightweight phylon/rubber sole complete with ladder grip and a technical grip design to be water-dispersing, durable, slip resistant, oil & heat resistant, and abrasion resistant giving ultimate traction!
