

EXPOSTION 4.5"

ST S3 HRO SRC

KEY SELLING FEATURES

- LEAP Technology is a Lightweight Energy Advancing Polymer (LEAP) that provides performance plus comfort, durable rebounding, and flexible cushioning.
- Nylon mesh lining for added breathability and comfort
- Modern design: a classic work boot reinvented with athletic features
- Nylon shank for added support and stability
- Cement construction provides superior durability.
- Steel toe protects against impact and compression
- T1450 rubber outsole performs against oil and water, and is abrasion, puncture and heat resistant.
- Comfort engineered to support your foot. Made with lightweight cushioning that is durable and provides more energy return than other foams.
- SRX provides "best-in-class" slip resistance, exceeding industry standards and reducing the risk of slip and falls in the workplace.
- Soft, breathable nylon mesh sock lining with CLEANSPOORT NXT pro-biotic odor control.
