- ◆ Injected PU Midsole
- ◆ Durable Dual Density PU Outsole
- ◆ Excellent Ladder Grip Outsole
- ◆ Antistatic
- ◆ Oil Resistant Outsole
- ◆ Wide Fit

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
