

# AS440 SKOMER

Standard	EN ISO20345:2011
Category	SBH P E A FO WRU CI HRO
Size Range	UK 4 - 14   EU 37 - 49
Colour	Black
Slip Resistance	SRC

**AS440 SKOMER:** Metal-free waterproof hybrid boot from Amblers Safety. Half moulded fully waterproof rubber galosh, action crazy horse leather upper and water-resistant nylon mesh panels. High leg lace up with five non-metallic D-rings, two upper speed lacing hooks and industrial strength cord lacing. Water-resistant nylon mesh full leg gusset tongue with padded top. YKK® metal-free quick access side zip with internal wide opening gusset and outer weather-proof tab and touch fastening closure. Internal waterproof breathable membrane, Thinsulate™ thermal insulation and moisture wicking mesh lining. Removable EVA insole with pressure point support and memory foam heel pad. Metal-free 200J impact and compression resistant toe cap and composite midsole for underfoot protection. Anti-fatigue energy-rebounding EVA foam pellet midsole, offering light, flexible and resilient cushioning. Hardwearing fuel and oil resistant rubber outsole, heat resistant of temperatures up to 300°C.

<b>Inner Lining</b>	Breathable waterproof membrane & mesh	<b>Sole</b>	EVA/Rubber
<b>Footbed</b>	Removable EVA with memory foam heel cushion	<b>Weight</b>	950 grams
<b>Impact Resistance</b>	200 Joules Composite Toe Cap	<b>Penetration Resistance</b>	Non-metallic anti-penetration midsole - min. 1100N

## FEATURES

- ◆ Tough & durable waterproof high boot
- ◆ Half rubber & half water resistant leather upper
- ◆ Internal waterproof membrane
- ◆ Fully non-metal
- ◆ Bellowed tongue
- ◆ YKK® metal-free side zip for quick changing
- ◆ Thinsulate™ lined for cold insulation
- ◆ Antistatic
- ◆ Energy absorbent heel
- ◆ Fuel & oil resistant outsole

**Care Advice:** To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
