<b>Impact Resistance</b>	200 Joules Fibre Glass Composite Toe Cap	<b>Penetration Resistance</b>	Non-Metallic Anti-Penetration Midsole - Min. 1100N

### FEATURES

- ◆ Excellent Leather and Mesh Metal Free Safety Trainer
- ◆ Padded Nylon Mesh Collar
- ◆ Padded Nylon Mesh Tongue
- ◆ Cushioned Phylon Midsole
- ◆ Durable Rubber Outsole
- ◆ Antistatic
- ◆ Oil Resistant Outsole
- ◆ WIDE FIT

**Care Advice:** To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
