Slip Resistance SRC

AS305C WINSFORD: Tough and durable **metal-free** safety boot from Amblers Safety. Internal waterproof, breathable **Dri-Bloc®** membrane. Water-resistant leather upper with twin padded collar. 200J impact and compression resistant composite toe cap and anti-penetration flexible composite midsole. Lace up front with 100% non-metallic components and industrial strength cord lacing. TPU heel support and scuff cap for extra durability. A dual density PU midsole combined with a hardwearing heat-resistant rubber outsole for durability. Antistatic construction reduces natural build up of static on shop/airport flooring. Excellent ladder grip outsole.

- ◆ Twin Padded Collar
- ◆ TPU Heel Support and Scuff Cap for Extra Durability
- ◆ Excellent Ladder Grip Outsole
- ◆ Outsole Heat Resistant to 300 Degrees
- ◆ Oil Resistant Outsole
- ◆ Antistatic
- ◆ Energy Absorbent Heel

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
