AS980C CRUSADER : Robust, waterproof metal-free 6" safety boot with AMBLERS SAFETY exclusively designed ladder-grip **MICHELIN**[®] Rubber outsole. A century of relentless innovation has inspired the most advanced and technical sole from **MICHELIN**[®] yet, so you are equipped to achieve peak performance from your work boots! All-weather waterproofing protection is given by AMBLERS SAFETY'S leading **DRI-BLOC**[™] internal waterproof, breathable membrane combined with a water-resistant full grain leather upper. Full lace front with non-metallic components, padded gusset tongue, speed lacing hooks and comfort padded collar. Metal-free impact and compression 200 joule toe cap with durable moulded PU Toe Guard that passes the brand new 2022 scuff cap abrasion resistant test (tested to 1,000 abrasion cycles). Puncture resistant metal-free composite midsole tested for general risks with a nail of 4.5mm in diameter. All day underfoot comfort is given with a removable cushioning PU footbed with orthotic arch support alongside an energy rebounding shock absorbing PU midsole, making this an ideal footwear choice for work force on their feet all day. Features a supportive moulded TPU heel counter with incorporating heel kick for easy off.

- ◆ Injected PU midsole enhances comfort and shock absorption
- ◆ Non-marking **MICHELIN**[®] rubber outsole
- ◆ Performance ladder grip on outsole tested to new ladder grip standard (LG)
- ◆ Outsole heat resistant to 300°C
- ◆ Antistatic construction with energy absorbing heel.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
