Slip Resistance	SR

AS503 ELDER (Recycled): Eco-friendly 8" hi-top metal-free unisex uniform safety boot constructed from 57% recycled pre-consumer leather, 100% recycled mesh PET lining, eco-friendly insoles and 15% recycled rubber outsole. Features a full safety non-metallic impact and compression resistant composite toe cap and underfoot protection is given with a metal-free puncture-resistant midsole. Comfortable, deep padded collar and tongue lined with 100% Recycled PET mesh. Industrial strength laces with metal free D-ring lace holds and upper speed lacing hooks. Includes a full length YKK® side zipper for easy wear and removal. Contains a removable recycled-mesh lined removable PU footbed. A moulded PU scuff cap gives extra durability whilst an injected PU midsole enhances all day comfort and shock absorption. Features a durable oil and heat-resistant outsole providing a good level of traction on surfaces. Slip-resistant and antistatic construction ideal for use on supermarket or airport flooring where static can build up during the day.

- ◆ Recycled mesh lining, tongue and padded collar.
- ◆ YKK® side zip for each access
- ◆ Recycled mesh lined removable PU footbed
- ◆ Moulded PU scuff cap for extra durability
- ◆ Injected PU midsole enhances comfort and shock absorption
- ◆ 15% recycled rubber in outsole
- ◆ Outsole heat resistant to 300 degrees
- ◆ Oil resistant outsole
- ◆ Antistatic
- ◆ Energy absorbing heel.
- ◆ Wipe clean upper.

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
