- Breathable Flyknit Mesh Upper with Embossed TPU Toe
- Padded Collar & Tongue for Extra Comfort
- Non-Metal Anti-penetration Midsole for Greater Flexibility
- Dual Density PU Outsole
- Energy Absorbent Heel
- Antistatic
- Electrostatic Discharge - Dissipative (ESD)
- Non-Leather Upper (Vegan Friendly)
- Metal-free

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.

Centek does the job
