- ◆ Mesh collar for extra comfort
- ◆ Cushioned and removable PU footbed with arch support
- ◆ EVA midsole enhances comfort and shock absorption
- ◆ Durable EVA/rubber outsole
- ◆ Antistatic safety trainer
- ◆ Energy absorbing heel
- ◆ Available in black or blue colours

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
