

## FSI33

Standard EN ISO20345:2011

Category S3 HRO

Size Range UK 6 - 12 | EU 39 - 47

Colour Black

Slip Resistance SRC

**FSI33:** Lace up formal safety shoe crafted with a smooth leather upper. Smart Gibson design with three metal eyelets and cord lacing. Energy rebounding PU/Rubber sole for all day comfort. Roomy toe box area with extra fitting at the mid foot. Water-resistant design ideal for public facing distribution roles or stock rooms where occasional outdoor use is needed. Steel toe and midsole protection. Antistatic construction helps prevent natural static build up and prevent static shocks (e.g. when working on supermarket flooring). Slip resistant and temperature resistant hardwearing outsole.

<b>Upper</b>	Leather Upper	<b>Construction</b>	Cemented

### FEATURES

- ◆ Formal safety Gibson shoe
- ◆ Padded collar
- ◆ Water resistant leather upper
- ◆ Moisture wicking odour controlling lining
- ◆ Extra fitting
- ◆ Antistatic
- ◆ Heat resistant sole to 300°C
- ◆ Oil resistant outsole

**Care Advice:** To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
